Reviews Awaiting Verdict: 16

- **Total Reviews.** This number is the total of all the reviewer’s Public Domain, In-Copyright, and Undetermined **finalized** reviews. This number does not include:
 - Reviews still active and/or not yet moved to historical reviews (see “**Reviews Awaiting Verdict**” below)
 - Legacy reviews (pre-CRMS reviews)
- **Neutral Reviews & Rate.** This is the reviewer’s total number of reviews that received a neutral verdict by an Expert along with the percentage of neutral reviews out of that reviewer’s total reviews.
- **Validated Reviews & Rate.** This is the reviewer’s total number of reviews that were validated by an Expert and the percentage of validated reviews out of that reviewer’s total reviews.
- **Average Validation Rate.** This is the percentage of all reviewers’ validated reviews out of total reviews across all reviewers.
- **Time Reviewing (mins).** This is the number of minutes spent reviewing by the individual reviewer as calculated from the time a new review is opened and until it is submitted. This does not include time spent beyond 5 minutes on a single review (see **Outliers**).
- **Time per Review (mins).** This number is derived from a calculation that takes the **Total Reviewing minutes** and divides it by the **Total Reviews**, less **Outliers**.
- **Reviews per Hour.** This number is derived from a calculation that takes the **Time per Review** and multiplies it by 60.
- **Outlier Reviews.** This number represents the total number of reviews in which the reviewer took more than 5 minutes to complete and submit.
- **Reviews Awaiting Verdict.** The number (located below the table) represents the reviewer’s current active reviews for volumes that have not yet received a final determination. Once the volumes associated with these reviews get final determinations, these reviews will be added into the reviewer’s **Total Reviews**.
